- Describe a friend who you think is a good leader.
- Describe a person who is physically active.

RECENT IELTS WRITING TASK 2 QUESTIONS

The requirements and types of task for IELTS Writing Task 2 are exactly the same for Academic and General Training students. Most topics can also be used for both types of exam. However, some of the more scientific topics are only used for Academic students and some of the more general everyday topics only for General Training exams. These topics are marked accordingly.

OPINION ESSAY (AGREE – DISAGREE)

Academic and General Training IELTS

- With growing populations in cities, more and more people live in homes with little or no outdoor space. Do you think this is a positive or negative development?
- Nowadays anyone can post news on the internet. As a result, we cannot trust information we read there. To what extent do you agree or disagree?
- Nowadays older people often live in retirement homes with people of their own age instead of living with their children. Is it a positive or negative development?
- Young people are highly influenced by famous people and they look up to them as role models. Is that a positive or negative development?
- Some people spend large amount of money to buy tickets for sports or cultural events. Is this a positive or negative development?
- Some people think it does not matter if a professional sportsman or sportswoman misbehaves on or off the field, as long as they play well. What is your opinion about this?
- Some people think that students should play more team sports, such as football and volleyball, rather than individual sports, such as running and swimming. Do you agree?
- Some people believe that studying for a university degree is better for an individual's career than gaining work experience immediately after high school. To what extent do you agree with this statement?

Academic IELTS

- Some people believe that the extinction of animal species is a natural process and humans should not intervene. Do you agree or disagree?
- Some people believe that air travel should be restricted because it causes air pollution. To what extent do you agree or disagree?
- Nuclear energy is better than other sources of energy for meeting the ever-increasing global energy need. To what extent do you agree or disagree?
- In the future, self-driving cars will replace human drivers. Is that a positive or negative development?

TWO VIEWS AND YOUR OPINION

Academic and General Training IELTS

- Some people say that students who achieve the highest scores in their exams should be rewarded. Others say that those who show progress should be rewarded instead. Discuss both these views and give your own opinion.
- Some people think that in the modern world we are more dependent on each other. Others argue that people have become more independent. Discuss both these views and give your own opinion.
- Some people believe that children should be allowed to choose what subjects they study at school. Others argue that everyone should study the same subjects. Discuss both sides and give your opinion.
- Some people think that children should only read academic books. Others believe that reading books for entertainment is equally important. Discuss both these views and give your own opinion.
- Some people think city planners should create more green spaces and plant trees. Others believe that they should focus on building new homes. Discuss both these views and give your own opinion.
- Some people think that technology is increasing the gap between the rich and the poor. Others argue that the opposite is true. Discuss both these views and give your own opinion.

- Some people think that children should learn world history. Others believe that it is more important to learn the history of their own country. Discuss both these views and give your own opinion.
- Some people think that it is better to move to other countries for greater work and life opportunities. Others argue that it is best to stay in their home country. Discuss both these views and give your own opinion.

ADVANTAGES – DISADVANTAGES

Academic and General Training IELTS

- In some cultures, children are encouraged to compete against each other. What are the advantages and disadvantages of this approach?
- Nowadays, more people move away from their friends and families for work. Does this development have more advantages or disadvantages?
- Some cities ban private cars from entering the centre and force people to use bicycles and buses. Do the advantages of this policy outweigh the disadvantages?
- Nowadays, robots do more and more jobs instead of humans. Does this development have more advantages or disadvantages?
- In many countries, people live longer and longer. Does this development have more advantages or disadvantages?
- In some countries, governments encourage businesses to move outside of the cities to solve the problems of housing and transport in the cities. What are the advantages and disadvantages of this policy?

PROBLEM – SOLUTIONS

Academic and General Training IELTS

- The health benefits of physical exercise are well known. Despite this, many people do not exercise regularly. What are the reasons for this? What could be done to encourage them to exercise regularly?
- In many countries, people do not recycle waste materials, such as bottles and newspapers. What are the reasons for this? What could be done to solve this problem?

- Some health problems are directly linked to people's life choices. Why do people make these choices? What can be done to encourage them to make healthier choices instead?
- In many countries crime rates among teenagers are higher than among other age groups. What are the causes of this problem and what can be done to solve it?

TWO DIRECT QUESTIONS

Academic and General Training IELTS

- Nowadays, more and more children play computer games. Why do you think this is the case? Is it a positive or negative development?
- Some parents prefer to stay in care homes after their retirement instead of staying with their children. Why is this happening? What are the advantages and disadvantages of this development?
- Cultures around the world are becoming more and more similar. What are the reasons for this? Is it a positive or negative trend?
- Nowadays, shopping is the most common activity for some young people. Why is this so? Is it a positive or negative development?
- Nowadays, more and more people choose to do their shopping online instead of going to physical stores. Why is this so? What are the disadvantages of this trend?
